Ispirata ai pavimenti in Terrazzo e Battuto alla Veneziana, questa collezione ci riporta fra vie del Carnevale di Venezia, tra i suoi colori e coriandoli, chiamati appunto, in origine, confetti.

Realizzata in grés porcellanato 18,6x18,6cm e disponibile in 8 colori, la collezione Confetti fa del movimento estetico e della gamma cromatica - perfettamente abbinabile ai rivestimenti Quintessenza - il proprio punto di forza.

Inspired by Venetian-style Terrazzo flooring, this collection carries you off to the narrow streets of Venice. It is carnival time and everywhere there are bright colours and ticker tape, or to use its original name, confetti.

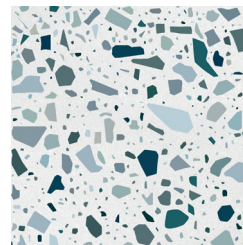

Made of porcelain stoneware in an 18.6x18.6cm format and available in 8 colours, the style and colour range of the Confetti collection ensures it matches all Quintessenza's wall tiles perfectly.

# TINTE UPDATED

## NEW MATT SURFACE NEW BLU COLOR

La serie Tinte si rinnova e raddoppia.  
Ai 12 colori in gamma si aggiunge una nuova  
referenza, il Blu lucido: profondo, sofisticato,  
ultra-contemporaneo.

Ma non solo: alla superficie lucida si aggiunge,  
per tutti i colori in gamma, la superficie Matt,  
dalla mano polverosa, che ne amplifica ancora di  
più le possibilità espressive e applicative.

Tinte collections has been renewed and extended.  
In addition to the 12 colours in the range, a  
new, deep, sophisticated and ultra-contemporary  
colour has been added: Gloss Blue.

But not only. As well as its gloss surfaces,  
all the colours in the range are now also  
available in a Matt finish with a dusty texture  
that amplifies the collection's character and  
application options.
